SSHA CONFERENCE 2010 HOTEL INFORMATION

IMPORTANT!!!

SSHA recognizes that you have a number of options when securing hotel accommodations for the annual meeting. It is important to keep in mind that SSHA has made a major commitment to the Palmer House Hilton in order to secure a large block of quality hotel rooms at competitive prices in a convenient location. SSHA is legally bound to fill these rooms. Not to do so has severe financial implications for SSHA, both in 2010 and in years to come and will almost certainly raise your costs of attending future annual meetings. If you require a hotel in Chicago, we would appreciate it if you would reserve your room at the Palmer House Hilton hotel.

SSHA has a special group rate of $184 single occupancy, $198 double occupancy, per night plus tax. The hotel has set up a special reservation site for the Social Science History Association. To access the site and make your reservation “click here”!

Reservations can also be made by calling 1-800-445-8667 (U.S. only) or 1-312-726-7500. Group rates cannot be guaranteed after October 15, 2010.

Please make your reservations early.
