Call for Papers

Family and Demography Network
Social Science History Association 40th Annual Meeting
Baltimore, MD, November 12-15, 2015

Submission Deadline: February 1, 2015 (to session organizer), February 15, 2015 for full panels submitted through ssha.org

The Family and Demography Network of the Social Science History Association issues a call for papers for a variety of panels that have been proposed by network members, and for proposals for additional panels.

We especially appreciate receiving entire panels, consisting of four papers, with panel chair and commentator, but also invite proposals for roundtables, book sessions, or single papers. The list of panels that have already been proposed appears below. Please contact the panel organizer directly if you wish to submit a paper to it.
