### CFP: □ Session and Paper Proposals for the Labor Network 2014

On behalf of the **Labor Network of the Social Science History Association**, we invite proposals for papers and complete panels for the 39th annual meeting of the Social Science History Association in Toronto, Ontario, November 6-9, 2014. We also are looking for volunteers to serve as panel chairs and discussants.

For more information on the meeting as well as the call for proposals, please refer to the SSHA website: [www.ssha.org](http://www.ssha.org). Additionally, please note that the SSHA grants several [awards](#) and [student travel grants](#), for which you also can apply.

The deadline for paper and/or panel submissions is **February 14th, 2014**.

The Social Science History Association Meeting provides a stimulating interdisciplinary venue for exploring an array of issues related to the study of social processes over time. This year's theme is **Inequalities: □ Politics, Policy and the Past**.

We welcome and encourage papers and panel proposals on a wide array of issues related to the historical study of labor and labor movements. Network members have expressed specific interest in organizing panels around the following themes:

1. Author-Meets-Critics: Claire Crowston, Credit, Fashion, Sex: Economies of Regard in Old Regime France (Janine Lanza, Wayne State University, organizer)
2. Workers in the Fast Food Industry (Jeremy Milloy, University of British Columbia organizer)
3. Work and the Environment (Josiah Rector, Wayne State University, organizer)
4. From Labor and Working-Class History to Histories of Capitalism: Where Do We Go From Here
5. The Resurgence of Materialist Feminism: Understanding Gender and Labor Historically

6. The Decline of Organized Labor and the Rising Tide of Inequality
7. Labor in the Energy Sector
8. Restructuring Labor and the Evolution of Capitalism
9. Remaking the Global Working Class: Inequality, Race, and Generation
10. The Labor of Knowledge: The Political Economy of Higher Education, Work, and Class Relations
11. The Nation-State in Labor History, especially Canadian-U.S. comparisons

Please use the SSHA's web conference management system to submit your papers and panel proposals. Paper title, brief abstract, and contact information should be submitted on the site <http://conference.ssha.org/>. (If you haven't used the system previously you will need to create an account, which is a very simple process.)

The Labor Network Representatives are available to help you with any questions regarding the submission process. Thank you, and we look forward to a stimulating set of panels at this year's SSHA meeting.
